FIELD TRIP PERMISSION FORM

Field trips are designed to be educational, as well as fun. Each classroom will take one or more field trips during the course of the school year. Such trips away from the school grounds may be within walking distance of the school or may require transportation. Parents will be notified in advance of any field trip requiring transportation, either through the school newsletter, or by the classroom teacher.

My child(ren): _____,
has (has)my permission to participate in classroom field trips. I understand that I may exclude my child from participating in trips that require transportation by notifying my child's teacher.
