Announcements

Early Registration

It is time! Early registration has begun! Packets were sent out on Monday, one per family.

All your registrations for multiple children have been included in the one packet. We are expecting to have full classes for preschool, so be sure to reserve YOUR spot before open enrollment begins.

Paperwork and registration payment must be included to save your spot! If you have other children to enroll, you may do that at this time as well. Just ask your teacher or the office for additional enrollment papers!

Pack the House

Today is the day! Pack the House at Leo's Pizza!

Dine in or carry out, but don't forget to mention Salem so that we can receive a donation from your order!

Predone Meals

Did you order from our meals fundraiser? Pick up is Saturday from 9:30-10:30 at 2209 S. Main Street.

Don't forget to pick up your yummy ready to heat meals Saturday!

NLSW Kickoff

National Lutheran Schools Week will kick off on Sunday, January 25th.

The children will sing in church. Please have them arrive by 8:45am in the cafeteria. We are also looking for chili cooks to enter our chili cook-off later that day at 5:30pm.

Please let the office know if you will be entering the contest! All chili tasters are welcome to come and put in your vote for the best chili! (Free will offering accepted)

A Note From The Principal

We have entered the liturgical season of Epiphany. Epiphany refers to that "ah ha!" moment of understanding. The Wise Men from the East had that moment when they saw the star leading them to the King. They were non-Jews or Gentiles, not from the chosen people.

Most of us are also Gentiles, but we have become part of God's chosen people through the life, death and resurrection of Jesus Christ who came to save ALL those who believe. Epiphany is all about the light of the world, Jesus, being made known to all people. Make sure you are in church to hear God reveal His salvation to us through Jesus!
