A Note from the Principal

When we have struggles, we try to manage them on our own- we ignore them, power through them or get stuck in them. We blame others. We may even blame God. This makes the struggle all about us. The Bible says something different. In 2 Corinthians 4:7 we read, “We have this treasure in jars of clay to show that this all-surpassing power is from God and not from us.” Our struggles are not a flaw in the story, but the setting. Through our struggles we find proof that God’s power is stronger than anything. He is not absent, but present and ready to assist us in every way. Instead of getting tougher, lift your struggles to the Lord and wait on His reply. - Principal Joy Reitsma
