A NOTE FROM THE PRINCIPAL

Have you ever been so emotional that you had trouble with a problem? What about your child(ren)? The beginning of school is often a stressful time as new routines, new friends, and new teachers are introduced. The Bible teachers us that emotions can be regulated. Jesus prayed in the Garden of Gethsemane, his emotions so intense that His sweat became like blood. He controlled His emotions by giving it up to His Father saying, "Not my will, but yours be done." Luke 22:4. Paul thought negative emotions could be put off and positive put on, "Throw off your old sinful nature and your former way of life...instead, let the Spirit renew your thoughts and attitudes. Put on your new nature, created to be like God..." Ephesians 4:22-24. Let's help our children to regulate emotions, using them for good and growth as they settle into the new school year.
