## A NOTE FROM THE PRINCIPAL

Following God means finishing what He has called you to do. Not everyone who starts out well finishes well. There are three forces pushing against you that never give up: the world, your flesh and the devil. We can never finish on our own. We are told in 2 Peter 1:3, "His (God's) divine power has given us everything we need for life and godliness through our knowledge of Him who called us by His own glory and goodness." SO, make up your mind to complete the assignment God has given you and enjoy every minute of it!
