A NOTE FROM THE PRINCIPAL

Our lives can change forever when we ask the question, "Lord, what do you want me to do?" Discovering God's will takes place in steps.

Step 1: Be aware: You can't change directions if you're unaware you're heading in the wrong direction. Pray about where God wants you to head and write down steps to get you there

Step 2: Take action: Do something specific each day to move one step closer to your goal.

Step 3: Be accountable: Write things down with a deadline or tell someone your goal and ask them to check on your progress.
