A NOTE FROM THE PRINCIPAL

Have you ever really thought about love? Love is NOT an emotion, because you cannot command someone to *feel* a certain way. Loving someone is a **choice** that manifests itself in your attitudes and actions towards that person. Jesus said in John 13:34-35, "A new commandment I give to you, that you love one another; just as I have loved you, you also are to love one another. By this all people will know that you are my disciples, if you have love for one another." Since Christ lives in you, you can love others with HIS love- even those you maybe don't even like.
